the abhisamayalamkara summarizes all the topics in the vast body of the praj aparamita sutras resembling a zip file it comes to life only through its indian and tibetan commentaries together these texts not only discuss the hidden meaning of the praj aparamita sutras the paths and bhumis of sravakas pratyekabuddhas and bodhisattvas but also serve as contemplative manuals for the explicit topic of these sutras emptiness and how it is to be understood on the progressive levels of realization of bodhisattvas thus these texts describe what happens in the mind of a bodhisattva who meditates on emptiness making it a living experience from the beginner s stage up through buddhahood groundless paths contains the first in depth study of the

abhisamayalamkara the text studied most extensively in higher tibetan buddhist education and its commentaries from the perspective of the nyingma school of tibetan buddhism this study consists mainly of translations of maitreya s famous text and two commentaries on it by patrol rinpoche these are supplemented by three short texts on the paths and bhumis by the same author as well as extensive excerpts from commentaries by six other nyingma masters including mipham rinpoche thus this book helps close a long standing gap in the modern scholarship on the praj aparamita sutras and the literature on paths and bhumis in mahayana buddhism arya maitreya s ornament of clear realization with its indian and tibetan commentaries presents the complex dynamics of the path to liberation as a succession of realizations of the empty nature of all phenomena this presentation is a powerful antidote to whatever two dimensional views we might hold about spiritual experience and the journey to enlightenment
