the collapse of venezuela documents venezuela s economic implosion as politicians adopted strategies that severely harmed the economy in their struggle for power between 2012 and 2020 venezuela suffered the largest economic contraction ever documented outside of wartime this collapse was caused not just by the failure of an economic model but also the deeper failure of its political system to manage the conflicts inherent to a polarized society the collapse of venezuela argues that when the stakes of power are high politicians have an incentive to adopt political strategies that directly harm the economy author francisco rodríguez describes these scorched earth strategies and shows how politicians used these methods to target the venezuelan economy in their fight for power

ultimately the conflicting sides have trapped the economy in a catastrophic stalemate that has destroyed the country's living standards and turned the economy into a political battlefield by charting Venezuela's experience with scorched earth politics Rodríguez reveals an essential cautionary tale for other democracies around the globe

employing both text and cases the authors discuss economic issues and the impact they have on management decisions

handbook of economic expectations discusses the state of the art in the collection study and use of expectations data in economics including the modelling of expectations formation and updating as well as open questions and directions for future research the book spans a broad range of fields approaches and applications using data on subjective expectations that allows us to make progress on fundamental questions around the formation and updating of expectations by economic agents and their information sets the information included will help us study heterogeneity and potential biases in expectations and analyze impacts on behavior and decision making under uncertainty combines information about the creation of economic expectations and their theories applications and likely futures provides a comprehensive summary of economics expectations literature explores empirical and theoretical dimensions of expectations and their relevance to a wide array of subfields in economics
