harness the power of your subconscious to create a life you desire the power of your subconscious mind teaches us how to remove the subconscious obstacles that prevent us from achieving the success we wish for in this book bestselling author

Joseph Murphy asserts that life events are actually the result of the workings of our conscious and subconscious minds. He suggests practical techniques through which one can change one's destiny principally by focusing and redirecting this miraculous energy. In these pages are the ways in which one can unleash the extraordinary mental powers to acquire self-confidence, attain professional success, create wealth, build harmonious relationships, overcome fears, get rid of bad habits, and promote overall well-being and happiness. Covering a variety of topics from healing to academia to riches, the author cites numerous compelling examples of the power of our thoughts and beliefs in influencing our reality. When we change our thinking and prepare our subconscious mind, we change our destiny. Joseph Murphy was an American author and New Thought minister, ordained in Divine Science and Religious Science, a popular speaker. Murphy lectured on both American coasts and in Europe, Asia, and South Africa. Murphy is considered one of the pioneering voices of affirmative thinking philosophy.

Dr. Joseph Murphy's classic book, *The Power of Your Subconscious Mind*, was first published in 1963 and became an immediate bestseller. It was acclaimed as one of the best self-help guides ever written. Following the success of this work, Dr. Murphy lectured to thousands of people around the world, and millions tuned in to his daily radio program. In his lectures, he pointed out how real people have radically improved their lives by applying specific aspects of his concepts. Now these lectures have been combined, edited, and updated in six books that bring Dr. Murphy's teachings into the 21st century and provide readers with his proven tools on how to program their subconscious minds so that they can radically improve their lives. In book 5 of the series, Dr. Murphy explains that infinite spirit is the presence of God within each human being. You're capable of deepening your spirituality and obtaining tranquility, beauty, love, joy, and all of God's blessings. He also describes how you can use prayer and meditation to program your subconscious mind and channel divine power to bring peace and happiness into your life.

The power of the subconscious is way beyond positive thinking. It is believing. The reason why it can bring you to success is that the subconscious part of the brain can enable you to aspire, believe that aspiration, and eventually allow your believing makes your aspiration come true. To give you better understanding regarding this matter, read along your subconscious mind. If you would only allow it, it can bring you great riches, abundant happiness, or just about anything you can imagine. And that's a fact. The reason for this is that your subconscious is essentially the inner you, and it never sleeps. For if it did sleep, your body would cease to function and die. Your subconscious not only regulates your breathing but keeps every organ in your body functioning and doing its job to keep you alive, as well as that your subconscious is also responsible for habitual behaviors and learned skills.
